THE FUTURE OF PLANT PRODUCTION STARTS HERE

PRESS RELEASE/ ANGERS - 10 NOVEMBER

SIVAL 2024 : A SHOW THAT DEMONSTRATES THE ATTRACTIVENESS OF THE DIFFERENT SECTORS

The 37th edition of the SIVAL will be taking place from the 16th to the 18th of January 2024 at the Parc des Expositions in Angers. An unmissable event, with an international dimension, for professionals in the specialist plant production sector, the SIVAL awaits you with a full program. Themed around innovation, and linked to the AGtech and agro ecology, the SIVAL 2024 will have the attractiveness of the different sectors and sustainability of production as its theme. This theme will be discussed during a special event, Fruit 2050, and it will provide the backdrop for the whole programme (SIVAL Innovation Concours and Agreen Startup, conferences and forums...).

FRUIT 2050 - NEW FORMAT

Fruit 2050 Takes place every 2 years at the SIVAL. Sponsored by GIS Fruit, the CTIFL, Végépolys Valley, Interfel and SIVAL, this forthcoming event will initiate a process of reflection about the question of human resources : HR in the fruit sector, a challenge for the future ? Recrutement, skills, career attractiveness and new careers, new technology and tools, training, working conditions, legislation, new generations... will all be themes expanded on within the new framework.

In fact, for this 4th edition of Fruit 2050 will have a new format and will revolve around a single conference which will provide the opportunity for experts, producers, journalists to speak... and there will be themed visits around the SIVAL which will enable each sub theme to be visualised.

An overview of the programme

- 13h45 > 15h15 : Start of the themed circuits
- 15h30 > 17h30 : Conference and roundtable discussion
- 17h45 > 18h30 : Cocktail - Exhibition SIVAL

INNOVATION CONCOURS

Each year the SIVAL Innovation Concours recognises innovative solutions that benefit specialist plant production.

The 37th edition of the SIVAL is proud to announce a new record with 69 dossiers / innovations registered for the Concours. The underlying trend for these innovations is linked to environmental and climatic challenges, working conditions, with the aid of robots, new varieties with greater resistance, is confirmed yet again.

The key dates that must not be missed

- Thursday 23 November: pre-jury
- Friday 15 December: final jury
- Wednesday 17 January at 19h30 at the SIVAL : presentation of prizes to the prizewinners

EMPLOYMENT AND TRAINING

For numerous years the SIVAL has been home to an employment area, that offers several slots for discussions and recruitment meetings each year.

Not only will there be workshops to accompany jobseekers, and appointments with recruiting companies, **but there will also be new themes such as the vision of work and innovation in the plant production sector during a Serious Game.**
